POLICY

Internet Content Management and Control

1. Purpose

The purpose of this policy is to outline the principles governing the management and control of internet usage at Zayed University.

2. Scope of Application

This policy applies to all ZU users, and any third-party representatives who have been provided an internet access via the ZU network.

3. Policy

- 3.1 All ZU users, and any third-party representatives are provided with facilities and equipment to access the internet for the purpose of enhancing education and/or increasing productivity in terms of work, academic or research related activities.
- 3.2 The Information Technology Department shall monitor internet usage from all computers and devices connected to the ZU network. If any usage is deemed inappropriate, access shall be blocked automatically.
- 3.3 The Information Technology Department shall periodically review internet usage by monitoring filtering systems and processes to ensure compliance to the policy.
- 3.4 Noncompliance to this policy may lead to disciplinary action.

4. Related Policies and Laws
